

SCHOLARSHIPS

※CSC Full Scholarship

Program introduction:

China Scholarship Council (hereinafter referred to as CSC), entrusted by the Ministry of Education of the People's Republic of China (hereinafter referred to as MOE), is responsible for the enrollment and the administration of Chinese Government Scholarship programs. China Three Gorges University is one of the authorized universities to accept the CSC full scholarship students for postgraduate programs. We welcome all the international students to participate in these programs.

Programs open for the scholarship application of academic year 2017-2018:

1. PhD and Master's Programs in Hydraulic Engineering.
2. PhD and Master's Programs in Civil Engineering
3. Master's Program in Electrical Engineering
4. Master's Program in Control Engineering
5. Exchange Programs for American and European students

The CSC full scholarship will cover all the expenses as below:

1. Tuition fees
2. Accommodation fees (personal expenses such as water, electricity, internet, TV signal, damage compensation, etc. are excluded)
3. Insurance
4. Registration fee
5. Stipend

※2017-2018 Hubei Provincial Scholarship Programs

Program Introduction:

"Hubei Provincial Scholarship" is established by Hubei Provincial Government, with a goal of encouraging more international students to study or do scientific research in Hubei provincial higher education institutes. With the approval of Hubei provincial government and Hubei Provincial Department of Education, China Three Gorges University (CTGU) recruits "Hubei Provincial Scholarship International Student" from all over the world to study or do research in CTGU.

The International students could apply for scholarship from CTGU. Tuition fee of the first year or four years will be covered by Hubei Provincial Scholarship fund. Other regular fees shall be paid by students according to the university fees structure. From the second year onwards, the students are required to pay at their own expense.

Programs open for the scholarship application of academic year 2017-2018:

- Master of Medicine (First Year Tuition Waiver)
- Master of Business Administration (MBA) (First Year Tuition Waiver)
- Master of Mechanical Engineering (First Year Tuition Waiver)
- Bachelor of Mechanical Engineering Materials (First Year Tuition Waiver)

Bachelor of Computer Engineering and Communication Technology (First Year Tuition Waiver)

Bachelor of Business Administration (BBA) (First Year Tuition Waiver)

Bachelor of Public Administration and International Relations (Conditional Four Years Tuition Waiver)

Bachelor of Pharmacy (First Year Tuition Waiver)

The scholarship will cover the expense as below:

One-year or Four-year tuition fee

※CTGU Scholarship Programs for Undergraduates

Program Introduction:

To attract more international students to study in China Three Gorges University, the university will provide scholarship that only covers full tuition fee or partial tuition fee each year; other regular fees shall be paid by students according to the university fees structure. Nevertheless, the final qualification of the scholarship will be determined on the arrival sequence. Any failure in examination or violation of regulations or law will lead to cancellation of scholarship qualification of the next school year.

Programs open for the scholarship application of academic year 2017-2018:

1. Bachelor of Water Resources Engineering (Conditional Four Years Tuition Waiver)
2. Bachelor of Civil Engineering (Conditional Four Years Tuition Waiver)
3. Bachelor of Electrical Engineering and Automation (Conditional Four Years Partial Tuition Waiver)
4. Bachelor of Automation (Conditional Four Years Partial Tuition Waiver)

The scholarship will cover the expense as below:

Full tuition fee or partial tuition fee

It is to be mentioned that the applicants are required to be attentive to the study and obey the rules & regulations of CTGU for continuing this Scholarship. If any kinds of disciplinary disorder or failure in any academic courses occur to the applicants, then the Scholarship offer will be canceled.

ACCOMMODATION

The Apartments include well equipped bedding facilities and broadband for internet.

Why CTGU

- Located in Yichang, the world hydro power center
- 220 hectares garden campus, more than 1,000 international students from over 20 countries
- Scholarship covers from undergraduate education to postgraduate education
- United Nations Academic Impact Member
- Demonstration Base of International Student Education authorized by China Ministry of Education
- N.E.W.S. Global University Network Standing Secretariat

China Three Gorges University 2017-2018 Brochure for International Students

三峡大学

UNDERGRADUATE AND ADVANCED EDUCATION

CTGU Advanced Education for International Students		
Faculty	Qualification Awarded	Teaching language
College of International Communications	Academic Certificate	Chinese
Duration (optional)	Deadline for application	Registration Duration
Three Months	Sep. 23, 2017	Oct. 23 to Nov. 3, 2017
	Feb. 5, 2018	Mar. 5 to Mar. 16, 2018
Six Months	July 7, 2017	Sep. 4 to Sep. 15, 2017
	Mar. 23, 2018	Apr. 23 to May 4, 2018
One academic year	July 7, 2017	Sep 4 to Sep 15, 2017
Key Courses		
1.Comprehensive Elementary Chinese		
2.Comprehensive Elementary Chinese in Reading and Writing		
3.Elementary Chinese in Listening and Speaking		
4.HSK Counseling		

CTGU Undergraduate Education for International Students

No.	Prgram Name	Faculty	Scholarships	School length
1	Water Resources Engineering	College of Hydraulic & Environmental Engineering	CTGU Scholarship for Tuition or None	4 years
2	Civil Engineering	College of Civil Engineering & Architecture	CTGU Scholarship for Tuition or None	4 years
3	Electrical Engineering and Automation	College of Electrical Engineering & New Energy	CTGU Scholarship for Partial Tuition or None	4 years
4	Automation	College of Electrical Engineering & New Energy	CTGU Scholarship for Partial Tuition or None	4 years
5	Mechanical Engineering Materials	College of Materials and Chemical Engineering	Hubei Provincial Scholarship or None	4 years
6	Computer Engineering and Communication Technology	College of Computer Science and Information Technology	Hubei Provincial Scholarship or None	4 years
7	Bachelor of Business Administration (BBA)	College of Economics and Management	Hubei Provincial Scholarship or None	4 years
8	Public Administration and International Relations	School of Law and Public Administration	Hubei Provincial Scholarship or None	4 years
9	Pharmacy	College of Biological and Pharmaceutical Sciences	Hubei Provincial Scholarship or None	4 years
10	Bachelor of Medicine & Bachelor of Surgery (MBBS)	College of Medical Science	None	6 years

Eligibility:

- 18-25 years old; non-Chinese; a foreign passport holder; Chinese Friendly
- With good moral character; in good health; hard working; with academic excellence
- High School Certificate in relevant discipline
- English or Chinese proficiency request upon the teaching language of the relevant discipline and corresponding supervisors' requirements.

Application Documents:

- Completed online application form with the applicant's signature
- Passport copy (Photo Page)
- Copies of the visa page and residence permit if the applicant is in China
- High School Certificate
- Academic Transcript
- Certificate of Physical Examination
- Bank statement or affidavit of financial support
- Other documents required by the relevant departments, such as a language certificate, etc.

Attention:

The online application requires JPG or JPEG or PNG uploads of all the documents within 1 M.

CTGU Taught Master's Education for International Students

No.	Prgram Name	Faculty	Scholarships	School length
1	Hydraulic Engineering	College of Hydraulic & Environmental Engineering	CSC or Hubei Provincial or None	3 years
2	Civil Engineering	College of Civil Engineering & Architecture	CSC or Hubei Provincial or None	3 years
3	Electrical Engineering	College of Electrical Engineering & New Energy	CSC or Hubei Provincial or None	3 years
4	Control Engineering	College of Electrical Engineering & New Energy	CSC or Hubei Provincial or None	3 years
5	Biology	College of Biological and Pharmaceutical Sciences	CSC or Hubei Provincial or None	3 years
6	Master of Medicine	College of Medical Science	Hubei Provincial or None	3 years
7	Master of Business Administration (MBA)	College of Economics and Management	Hubei Provincial or None	2-3 years
8	Mechanical Engineering	College of Mechanical and Power Engineering	Hubei Provincial or None	3 years

Eligibility:

- 18-35 years old; non-Chinese; a foreign passport holder; Chinese Friendly
- With good moral character; in good health; hard working; with academic excellence
- Bachelor's degree in relevant discipline
- English or Chinese proficiency request upon the teaching language of the relevant discipline and corresponding supervisors' requirements.

Application Documents:

- Completed online application form with the applicant's signature
- Passport copy (Photo Page)
- Copies of the visa page and residence permit if the applicant is in China
- Bachelor's Degree Certificate
- Academic Transcript
- Recommendation Letters
- Certificate of Physical Examination
- Bank statement or affidavit of financial support
- Other documents required by the relevant departments or supervisors, such as a language certificate, etc.

Attention:

The online application requires JPG or JPEG or PNG uploads of all the documents within 1 M.

CTGU Postgraduate Research(PhD) Education for International Students

No.	Faculty	Prgram Name	Research Direction	Scholarships	School length
1	College of Hydraulic & Environmental Engineering	Hydraulic Engineering	Hydrology and Water Resources	CSC or Hubei Provincial or None	3 years
			Hydraulics and River Dynamics		
			Hydraulic Structure Engineering		
2	College of Civil Engineering & Architecture	Civil Engineering	Hydraulic and Hydro-Power	CSC or Hubei Provincial or None	3 years
			Rock and Soil mechanics basic theory and method		
			Rock mass engineering reinforcement theory and method		
			Slope protection and ecological restoration		
			Structure design theory and method		
			Concrete materials dynamic and static		
			Seismic and vibration of control engineering structure		
Geological disaster forecast and supervision					
Tunneling stability analysis and control					

Eligibility for PhD Programs:

- 18-45 years old; non-Chinese; a foreign passport holder; Chinese Friendly
- With good moral character; in good health; hard working; with academic excellence
- Master's degree in relevant discipline
- English or Chinese proficiency request upon the teaching language of the relevant discipline and corresponding supervisors' requirements.

Application Documents:

- Completed online application form with the applicant's signature
- Passport copy (Photo Page)
- Copies of the visa page and residence permit if the applicant is in China
- Master's Degree Certificate
- Academic Transcript
- Recommendation Letters from at least two professors or associated professors in relevant research field.
- Research Plan
- Certificate of Physical Examination
- Bank statement or affidavit of financial support
- Other documents required by the relevant departments or supervisors, such as a language certificate, academic achievements, etc.

Attention:

The online application requires JPG or JPEG or PNG uploads of all the documents within 1 M.
